

#EUHPP LIVE WEBINAR

5th European Code Against Cancer For the occasion of World Cancer Day Launch in all EU languages

4 FEBRUARY 2026, 10.00 - 11.30 CET, BRUSSELS TIME

Dear Sir/Madame,

We invite you to join this #EUHPP Live Webinar to present you the 5th edition of the European Code Against Cancer (ECAC5), launched **in all EU languages** on the occasion of the **World Cancer Day**.

The ECAC5 brings together **14 evidence-based recommendations** addressing personal behaviours, environmental factors and medical interventions for the general population across the European Union.

While focused on cancer prevention, many of these recommendations also contribute to the **prevention of other non-communicable diseases**, supporting healthier lives and improved well-being. Together, the ECAC5 recommendations offer a clear, accessible guidance to **reduce cancer risk**, and **address common misconceptions about cancer**, ensuring that **reliable cancer prevention information** is accessible to everyone, in every EU language.

Register to this webinar following [this link](#).

Once registered, you will receive the calendar invitation from Webex. Please pin it in your calendar and go back to it on the webinar day. [This webinar will be held in English](#)

If you have any further questions, please contact sante-hpp@ec.europa.eu

We are looking forward to welcoming you online.
